## WORK CONTINUES ON I-10 AND I-215

**San Bernardino, Grand Terrace and Redlands** – Caltrans continues the \$11.5 million project to install a fiber communications network on I-10 and I-215. Lane and ramp closures will occur in the San Bernardino, Grand Terrace and Redlands area. The work in the chart below will begin Tuesday, March 11, 2008 and continue through April 1, 2008. This commuter alert will be updated if any changes occur.

LOCATION	DATE	TIME	CLOSURE
Northbound I-215 between Mt. Vernon and Iowa Ave.	Sunday through Thursday	9 PM to 6 AM	At least one freeway lane closed and alternating ramp closures
Southbound I-215 between Mt. Vernon and Iowa Ave.	Sunday through Thursday	10 PM to 5 AM	At least one lane closed and alternating ramp closures
Westbound I-10 from Tennessee to Tippecanoe	Tues. though Fri. (Mar. 10-14)	9 PM to 6 AM	Closure of number four lane

Anticipate the lane closures. Develop an alternate route in case a ramp closure is in effect. Consecutive ramps will not be closed at the same time. Signs will be posted to advise and direct motorists. As delays are anticipated, please allow extra time for your commute or consider using an alternate route.

Caltrans would like to thank motorists for their patience and support as we work to improve your roads. To avoid rear end collisions merge early and allow distance between you and the car in front of you. Caltrans asks that all advisory signs be obeyed and that you **SLOW FOR THE CONE ZONE**.
